

NOTICE TO MARINERS

№2 – 2023

PORT OF LIVERPOOL

DEPLOYMENT OF WAVERIDER BUOY – CROSBY CHANNEL

NOTICE IS HEREBY GIVEN that a Waverider buoys is deployed behind the buoy line of the Crosby Channel in the following location:

Crosby Channel (between C10 and C12)

Position: 53° 30.706' N 003° 05.776' W

Description: Spherical, yellow

Light: Fl(5) Y. 20s

Mariners should update their charts and other relevant publications accordingly.

For the avoidance of doubt, the Waverider buoy that was positioned behind the buoy line of the Formby Channel has been removed and Notice to Mariners №80/2021 is withdrawn.
